USE OF TECHNOLOGY RESOURCES IN INSTRUCTION

TECHNOLOGY RESOURCES USER AGREEMENT

(Student)

Please read this document carefully. When signed it becomes a binding agreement.

Terms and Conditions

Acceptable use. I will use the service to support personal educational objectives within the educational goals and objectives of the District. Inappropriate use may result in cancellation of use of technology resources and/or appropriate disciplinary action.

The student must:

- Use technology resources for educational or education-related purposes during instructional time.
- Agree not to submit, publish, display, or retrieve any defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or illegal material.
- Abide by all copyright and trademark laws and regulations.
- Have prior approval by the Superintendent for any advertisements or information before such information is published. All such information becomes the property of the District.
- Agree not to reveal, disclose or disseminate personally identifiable data (names, photographs, home addresses, personal phone numbers, or personal e-mail addresses).
- Understand that electronic mail or direct electronic communication is not private and may be read and monitored by school employed persons.
- Agree not to use the network in any way that would disrupt the use of the network by others including unauthorized access, “hacking”, and other unlawful activities.

- Pay fees resulting from use of services and/or purchase of products not previously authorized by the District for payment.
- Agree not to use technology resources for commercial purposes, personal gain, or profit.
- Follow the District's code of conduct.
- Agree not to attempt to harm, modify, or destroy software or hardware nor interfere with system security.
- Understand that inappropriate use may result in cancellation or limited permission to use the educational information services and appropriate disciplinary action, which may include expulsion for students.
- Participate in student safety training in regards to the use of the Internet, appropriate behavior while using, but not limited to such things as social networking websites, online opportunities and chat rooms; cyber-bullying awareness and response.

The student should:

- Respect the rights of others to participate in the use of the network by not monopolizing the computer.
- Use correct spelling and make messages easy to understand.

Services. The District specifically denies any responsibility for the accuracy of information. While the District will make an effort to ensure access to proper materials, the user has the ultimate responsibility for how technology resources are used and bears the risk of reliance on the information obtained. The District does not assume liability for information retrieved via electronic information systems, nor does it assume liability for any information lost, damaged, or unavailable due to technical or other difficulties.

I acknowledge that the District has taken every precaution to ensure the safe use of technology resources and further acknowledge that inappropriate information can be accessed if the user engages in aggressive pursuit of such information. I have read and agree to abide by the District policy and regulations on appropriate use of technology resources, as incorporated herein by reference.

I understand and will abide by the provisions and conditions indicated. I understand that any violations of the above terms and conditions may result in disciplinary action and the revocation of my use of technology resources.

Parent or Guardian Cosigner

As the parent or guardian of this student, I have read this agreement and understand it. I understand that it is impossible for the District to restrict access to all controversial materials, and I will not hold the District responsible for materials acquired by use of technology resources. I also agree to report any misuse of technology resources to a District administrator. (Misuse may come in many forms but can be viewed as any messages sent or received that indicate or suggest pornography, unethical or illegal solicitation, racism, sexism, inappropriate language, cyber-bullying, or other issues described in the agreement.)

I accept full responsibility for supervision if, and when, my child's use of technology resources is not in a school setting. I hereby give my permission to have my child use technology resources.
